

Dear Families,

We're Jumping Into Our NEW Study of Bread,
With Exciting New Lessons Swirling in Our Head,
White Bread, Wheat Bread, Whole Grain or Rye,

There Are So Many We'll Have To Try!!!

Family Partnership Homelinks

Connecting School To Home

As we begin our Bread Study, we are excited to discover what breads we eat, how they're made and who makes them. But first, we want to know how we can get YOU & YOUR FAMILY involved!!! Please fill out the questions below and return them to school with a picture of your family's favorite bread! It can be a picture from a magazine, a photo of your child eating the bread or a drawing by your child!

Student's Name: _____

What breads does your family eat everyday? _____

Are there any special breads you eat that reflect your heritage or culture? _____

What kinds of bread does your family buy? Where do you buy it? _____

Do you make any kinds of bread at home? _____

Do any family members have a job related to bread? (For example a chef, baker, pizza delivery person, a waiter/waitress, etc.?) _____

Picture Of Our Family's Favorite Bread

Student's Name: _____

Is there any other information you want to share about bread with us? _____
