

Dear Parents,

We have explored and learned so many new concepts from our Beginning the School Year study, and we are ready to move on to the next study, which is Bread. This study will begin on Monday, September 30, 2019. Thank you for helping to make our first study a success! The children have adjusted well to their new classroom, rules and routines that go along with it. Learning about our feelings and sharing has been a fun adventure. I hope that you have enjoyed the songs and rhymes that we've learned. There are more wonderful ones to come. This has been a fantastic start to the school year!

We end each study with a classroom celebration to celebrate all that we have learned. As this study comes to a close on September 27, 2019, Class 3 will be celebrating with a Mystery Reader. The children will be given three to four clues and then have to draw who they think it will be. We will also be making a class book. The children will take on the roles of the author and illustrator. If you ask your child, they should be able to tell you the role of each one. Each child will discuss what their favorite thing about school is and then draw and write what they have said. We will read our book for afternoon story and it will be displayed in our classroom library for the children and classroom visitors.

Thank you for your continued support!

Ms. Heather and Ms. Tamara - Class 3
