

Dear Families,

**WELCOME TO SCHOOL!**

During the week of September 9-13, 2019,  
we are starting our school year with our first study:

**"Beginning the School Year."**

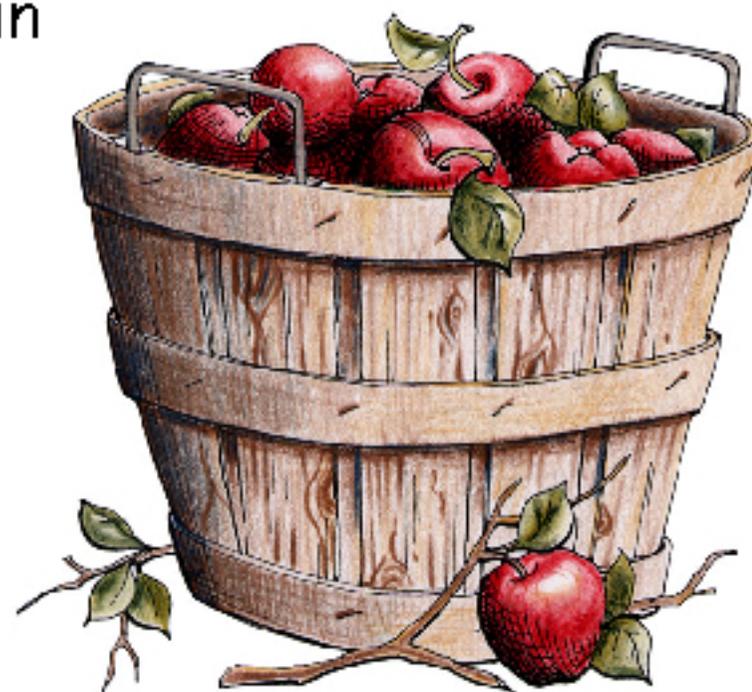

We will be meeting new friends and learning how to work,  
share and play together in class. Although we are all individual  
"apples", we will be playing and learning in one big "basket"!

# Family Fun from Home

## Connecting School to Home

With your child, decorate the  
attached apple shape to help fill our  
Alphabets Apple Basket on the bulletin  
board in the lobby.

Please return your child's apple  
to be posted in the lobby  
by Friday, September 13, 2019.
