

Dear Families,

This week August 7-11, 2023, Get ready to blast off as we soar through our Space Odyssey!

With your child, create a solar system to be displayed for the universe to enjoy! You can use the templates attached or make your own. Be creative! Use different colors, textures and materials. After you create the planets, stars, spaceships, etc. for your solar system, tie them to a piece of string or yarn and attach them to a base like a hanger.

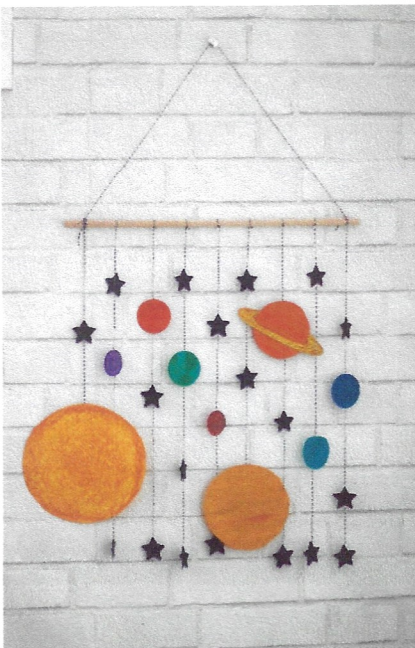

Send your space creation in to school to be displayed!!

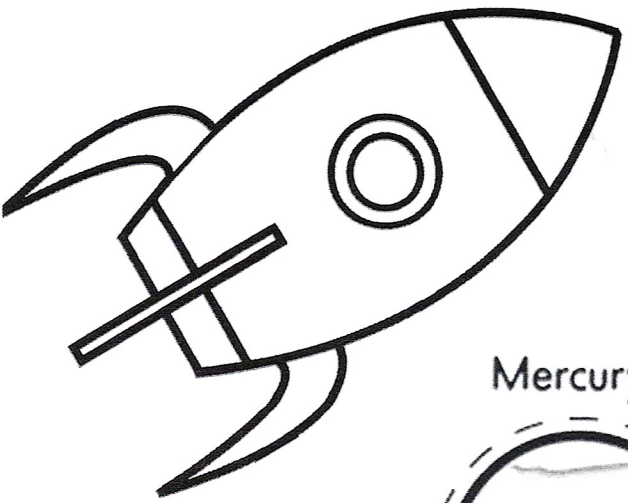

Queridas familias, Esta semana del 7 al 11 de Agosto de 2023, Prepárate para despegar mientras nos elevamos a través de nuestra Odisea del Espacio!

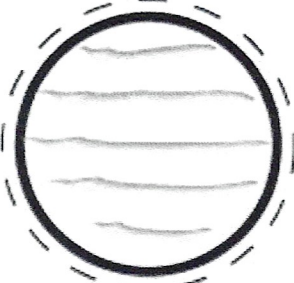

¡Con su hijo, cree un sistema solar que se mostrará para que el universo lo disfrute!
Puede utilizar las plantillas adjuntas o hacer suyas las suyas propias. ¡Sé creativo!
Utiliza diferentes colores, texturas y materiales. Después de crear los planetas, estrellas, naves espaciales, etc. para su sistema solar, atarlos a un pedazo de cuerda o hilo y adjuntarlos a una base como una percha. Enviar su creación de espacio en la escuela para ser exhibido!!

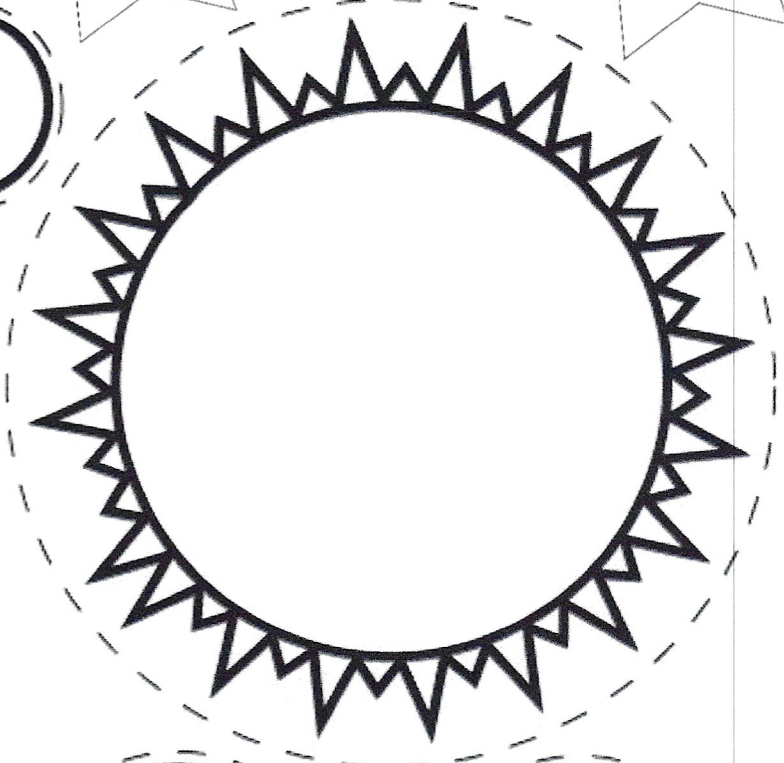

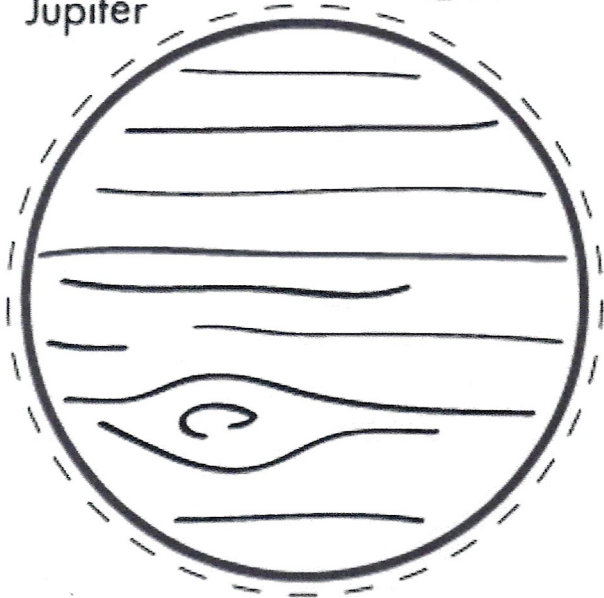

Mercury

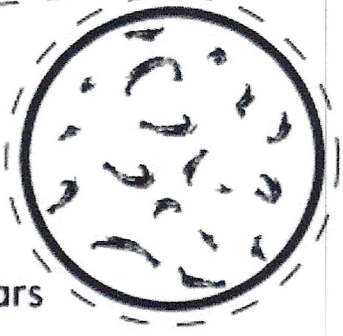

Venus

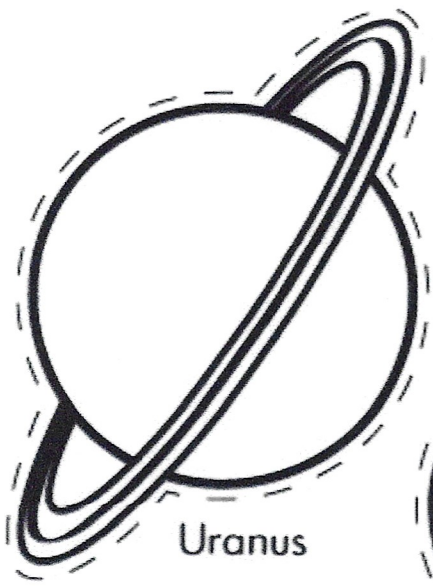

Jupiter

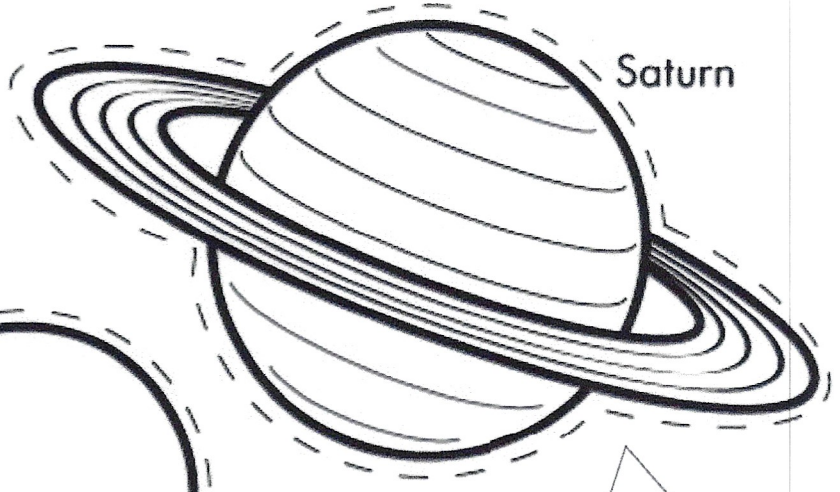

Earth

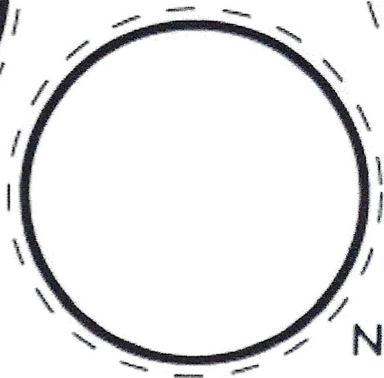

Mars

Uranus

Saturn

Neptune
